Concepts to Creations

Since 2013, **RACE** is a leading interior fit-out company specializing in Retail ,F&B and commercial projects. With years of experience in the industry, **RACE** has built a reputation for delivering high-quality designs and exceptional craftsmanship.

Our team of experts is skilled in creating functional and visually appealing spaces that reflect the brand identity of each business.

RACE provides professional space planning and design services to maximize the potential of any given area. They focus on optimizing layouts, traffic flow, and aesthetics to create harmonious and efficient spaces.

Interior Contracting | Concept Design | Civil Works | MEP | Joinery | Project Management.

Management Structure

"In a well-structured company, the management team plays a crucial role in ensuring smooth operations and achieving organizational goals. The cohesive management structure ensures efficient functioning, growth, and successful outcomes."

Why us

At **RULER ARC**, we pride ourselves on our unique approach to Turnkey projects. We believe in putting our clients first and utilizing the **RULER** framework to ensure exceptional outcomes. Let us explain why you should choose us:

Turnkey Interior Fitout's

Shaping your Imaginations

RACE believes that every space has the potential to tell a unique and compelling story. Our goal is to turn your visions, ideas, and dreams into functional, aesthetic, and inspiring environments. Whether it's renovating an office space, designing a retail store, or creating a luxurious kiosk, we pride ourselves on our ability to understand and capture your vision.

Consultation and Conceptualization

We will work closely with you to conceptualize a design plan that brings your vision to life.

Space Planning and Design

We aim to optimize every square foot, ensuring efficiency and practicality while maintaining a visually appealing design

Material Selection and Procurement

We understand the importance of quality materials in achieving an outstanding result. Our procurement process ensures timely delivery and adherence to project timelines.

MEP Works and Infrastructure

we handle all mechanical, electrical, and plumbing (MEP) works required to transform the shell and core space into a fully operational environment.

Construction and Installation

Throughout this phase, we maintain open lines of communication with a network of experienced contractors and craftsmen, we meticulously execute the construction and installation phase of the project

Interior Finishes and Furnishings

We help you curate a cohesive and personalized atmosphere in selecting the perfect finishes and furnishings that align with your style and enhance the overall aesthetic of the space.

Final Delivery and Handover

We ensure that every aspect of the project meets our rigorous standards after inspections and quality assurance checks. Our commitment upon projects, embark on a journey towards creating your dream space.
